

VEENA ENGINEERING WORKS

Time ✦ Trust ✦ Transcendence

INTRODUCTION

Established in 2004, we are the leading Engineers in Karnataka. We are BWSSB class 1 contractors, Water supply & sanitary works, specialised in layout and property development works. We are leading licensors for all types of Govt. approvals & also specialist in rain water harvesting system & sewage treatment plant works. We are trusted Builders who have successfully developed & executed residential projects with good attractive interiors. Since inception, we have successfully completed various prestigious projects in and around Karnataka.
